Educational Pathways Program

The Educational Pathways Program is designed to improve educational and career outcomes for students by introducing them to a range of vocational training and employment pathways.

About the Program

The Educational Pathways Program is being delivered in selected government high schools across 9 regions of NSW.

The Educational Pathways Program complements existing careers education activities through the provision of additional resources, including two key roles; Head Teachers Careers and SBAT Engagement Officers, who work closely with schools to:

- Ensure students have access to sound advice, great training pathways and rewarding work opportunities
- Promote SBAT opportunities, a proven pathway for students to successfully transition to work and/or further education
- Match students with SBAT employers and offer tailored support and mentoring for students exploring these pathways
- Streamline delivery of the program across groups of schools
- Support students with barriers to education.

Benefit to Schools

- Additional support to deliver strengthened careers education and support for students
- Building relationships with local employers and industry
- Support for engagement in vocational subjects to assist with appropriate subject selection.

Benefit for Students

- Increased access to, and participation in, careers education and vocational opportunities
- Opportunities to meet local employers and learn about career pathways
- Building work readiness skills
- Opportunities to complete nationally recognised training.

Program Initiatives

Innovating careers education

A new approach to careers education that sees Careers Immersion Teams, each led by a Head Teacher Careers, create engaging learning opportunities and pathways for students.

Enhancing SBAT engagement

Tailored support and mentoring from dedicated SBAT Engagement Officers to increase the uptake of School Based Apprenticeships and Traineeships at participating schools.

TAFE NSW Start Your Future

TAFE NSW's Start Your Future helps students identify potential career pathways through vocational tasters in a wide range of industries, delivered at a local TAFE NSW campus.

Job readiness workshops

Engaging job readiness workshops that give students practical tips to help them prepare for their first job and inspire them to explore rewarding vocational career pathways.
