Agency overview

TAFE NSW's purpose is to skill the workforce of the future. It is Australia's leading provider of vocational education and training with over 500,000 annual enrolments and a proud history for setting the benchmark for quality service. As the NSW public provider, it supports the NSW Government's priority to grow skills for the economy and jobs of tomorrow. Critically, TAFE NSW plays a vital role in providing vocational education in rural and regional NSW, and job training pathways for the most vulnerable in the community.

TAFE NSW offers the best of campus-based delivery as well as flexible, online and work-based learning. The TAFE NSW values of Customer First, Collaboration, Integrity and Excellence guide our team in strengthening communities, delivering world-class training for our students and producing job ready graduates for employers. The operating environment for TAFE NSW is dynamic as we leverage our scale, expertise, passion and reputation to meet the rapidly changing VET landscape.

TAFE NSW is committed to its students and customers and the role it plays in changing lives and opening up opportunities through learning.

Primary purpose of the role

This position is responsible for leading and managing a team of Coordinators to ensure that the full range of learning locations operations and services delivered by corporate support and skills delivery functions at assigned regional sites meet high levels of performance and excellence in customer experience.

Key accountabilities

1. Represent the Regional General Manager and TAFE NSW at key internal and external functions and forums with community stakeholders, contributing to collaborative relationships for mutual benefit and maximising opportunities for promotion of TAFE's reputation and services including through effective hand-off of business development leads at the sub-regional level.
2. Lead development and implementation of the regional Community and Multicultural Engagement Plan as part of the overall Customer and Stakeholder Relations plan in consultation with key internal and external stakeholders and regularly report on progress against the plan. Lead the legislative process of collating mandatory multicultural data and ensure they are submitted in a timely manner.
3. Analyse locally coordinated Customer Experience improvement data and ensure appropriate actions and initiatives are implemented accordingly.
4. Build and strengthen productive relationships with internal and external regional businesses and multicultural networks, communities, learning partners, and endorsed consultative and advisory groups to ensure multicultural skills programs, delivery and learning locations services appropriately consider and benefit from stakeholder views, input and joint problem solving.
5. Lead, mentor/coach a team of regional TAFE Services Coordinators across designated sub-regional sites and regional communities and delivery sites providing local stakeholder engagement, advisory and support services to deliver culturally appropriate products, programs and services that sustain market share and ensure essential operational services are being delivered.
6. Establish strategic links with key community representatives to remain in touch with local issues and community satisfaction levels with TAFE services, providing feedback to appropriate TAFE business leads and input to TAFE planning processes and strategies for continual improvement of service delivery and business development opportunities.
7. Work collaboratively with related local functional areas, including training delivery, student services, facilities management and other corporate services to oversee, monitor and assess the effective integration and delivery of learning locations operations and services including day-to-day activities and longer term plans.
8. Establish and oversee processes for effective management of student and visitor complaints and incidents and issue resolution to ensure appropriate response and follow up, and ensure that matters inhibiting customer and student learning experience are efficiently, fairly and safely addressed in a positive manner.
9. Identify, manage and appropriately escalate issues and risks associated with delivery of TAFE operations and services, working collaboratively to develop strategies and approaches that ensure mitigation where practicable.
10. By example, lead the development of a safe, healthy and inclusive work environment, including implementation and review of appropriate strategies and measures.
11. Place the customer at the centre of all decision making.
12. Manage and develop a high performance team, aligned to the core values of integrity, collaboration, excellence and a customer first attitude, through effective leadership, support and feedback.
13. Collaborate with staff to ensure the development and regular review of meaningful individual performance management and development plans that are clearly aligned to strategic objectives and focused to develop the individual.

Key challenges

- Balancing the demands of a diverse portfolio of activities including operational activities and internal and external stakeholder relations to meet the level of customer service and operational performance required.
- Establishing protocols across local functional areas with varying contributions to service delivery, site amenity and customer experience to work collaboratively on achieving longer term goals, day-to-day performance and responsive issue resolution.
