Agency overview

Sydney Metro is leading Australia's biggest public transport infrastructure program, developing and delivering a new world-class metro railway system for Sydney.

As a new NSW Government statutory authority, Sydney Metro has been tasked with developing and delivering metro railways, and managing their operations. Sydney Metro also leads the development of vibrant station precincts to meet customer and community needs, transforming the way Sydney travels and helping shape the future of Australia's largest city.

Primary purpose of the role

The primary purpose of this role is to deliver high quality, high value, timely and solutions focussed independent advice for business groups across the organisation (such as the project, delivery and operational teams). The role will provide advice relevant to the area of expertise which can cover highly complex and sensitive issues with high profiles and high financial, reputational or operational risks.

The role is also required to share knowledge and experience with other legal team members and internal clients to enable lessons to be learnt and consistency to be applied across all projects. It will further undertake other work as allocated by the Deputy General Counsel.

Key accountabilities

- Live the NSW Public Sector organisational values to achieve outstanding outcomes for the organisation and customers
- Lead, oversee and provide expert, timely, clear, comprehensive and solution focussed legal services in a manner that supports both project and organisational outcomes while also addressing legal risk
- Proactively engage and partner with key internal clients to provide a significant contribution to achieving the delivery of project goals, including leading negotiations and the formulation of legal

solutions in response to complex problems while at all times maintaining their support and trust and the support and trust of the Deputy General Counsel

- Maximise the value and quality of legal services delivered by optimising the mix of internal and external service delivery on the project
- Ensure systematic and strategic legal risks regarding projects are identified and raised with the Deputy General Counsel, and proactively work with internal clients to facilitate solutions
- Forge consultative working relationships with the key internal clients nominated by the Deputy General Counsel to improve early decision making in connection with the management of legal risks
- Initiate and develop knowledge sharing, expertise and skills within the legal team and with key internal clients to improve decision making in legal issues
- Develop and deliver high quality legal precedents
- Assist in educating the business units to improve decision making in relation to a range of legal issues
- Engage with key internal clients to identify and capitalise on opportunities to improve the legislative framework and business processes

Key challenges

- Balancing a high volume work environment and demands resulting from tight timeframes and competing priorities so as to ensure consistent high quality strategic and responsive legal advice and services, against the requirement to stay connected to the legal team's objectives and agency wide perspectives
- Forging strategic long term partnerships and consultative working relationships with other legal team members, key stakeholders including the Executive, nominated key clients, other government agencies and external law firms to achieve desired policy solutions and business outcomes
- Supporting the Deputy General Counsel in the development of practice management systems and procedures, while at the same time managing and reconciling numerous competing strategic priorities and different business perspectives from within and outside project teams in a time constrained environment where some of those matters have a high level of political interest and public visibility
