Agency overview

TAFE NSW's purpose is to skill the workforce of the future. It is Australia's leading provider of vocational education and training with over 500,000 annual enrolments and a proud history for setting the benchmark for quality service. As the NSW public provider, it supports the NSW Government's priority to grow skills for the economy and jobs of tomorrow. Critically, TAFE NSW plays a vital role in providing vocational education in rural and regional NSW, and job training pathways for the most vulnerable in the community.

TAFE NSW offers the best of campus-based delivery as well as flexible, online and work-based learning. The TAFE NSW values of Customer First, Collaboration, Integrity and Excellence guide our team in strengthening communities, delivering world-class training for our students and producing job ready graduates for employers. The operating environment for TAFE NSW is dynamic as we leverage our scale, expertise, passion and reputation to meet the rapidly changing VET landscape.

TAFE NSW is committed to its students and customers and the role it plays in changing lives and opening up opportunities through learning.

Primary purpose of the role

This position is responsible for supporting the delivery of education services through the maintenance of delivery locations and equipment, preparation and distribution of teaching resources and other related support and administrative functions.

Key accountabilities

1. Collect, propagate and maintain plant material for student use, landscape demonstrations, horticultural trials or site development.
2. Produce or collect class requirements for specified plant materials, soils, plant predators, insects or diseases to support the learning process.
3. Maintain plants, grounds, and facilities consistent with specified class requirements or the approved site development plan.
4. Perform experimental work, assist teaching staff in demonstrations and perform class servicing duties as directed to provide effective class support.
5. Assist in the planning and construction of floral and other displays to provide educational support.
6. Operate horticultural and agricultural equipment and perform operator maintenance as required.
7. Demonstrate the use of equipment and or techniques to classes to support the learning process.
8. Provide on the job training for apprentices to support the delivery of educational programs.
9. Reflect TAFE NSW's values in the way you work and abide by policies and procedures to ensure a safe, healthy and inclusive work environment.
10. Place the customer at the centre of all decision making.
11. Work with the Line Manager to develop and review meaningful performance development and review plans.

Key challenges

- Managing competing demands in a time sensitive work environment.
- Maintaining currency of professional knowledge while employed in a position not responsible for direct provision of industry services.
- Delivering quality and efficient technical and practical support while maintaining a safe and healthy work and learning environment.
- Applying technical knowledge and experience to create practical teaching/class aids and resources to meet specific and sometimes unique learning requirements.

3. Demonstrated technical knowledge and experience of use, care and maintenance of tools, equipment, materials and techniques used in trade/vocation/skills area applicable to the role.
4. Proven ability to create, modify or adapt equipment or other resources to meet particular requirements.
5. Demonstrated organisational skills and ability to work as a member of a team with minimal supervision in area relating to the role.

Capabilities for the role

The [NSW public sector capability framework](#) describes the capabilities (knowledge, skills and abilities) needed to perform a role. There are four main groups of capabilities: personal attributes, relationships, results and business enablers, with a fifth people management group of capabilities for roles with managerial responsibilities. These groups, combined with capabilities drawn from occupation-specific capability sets where relevant, work together to provide an understanding of the capabilities needed for the role.

The capabilities are separated into focus capabilities and complementary capabilities

Focus capabilities

Focus capabilities are the capabilities considered the most important for effective performance of the role. These capabilities will be assessed at recruitment.

The focus capabilities for this role are shown below with a brief explanation of what each capability covers and the indicators describing the types of behaviours expected at each level.

Focus capabilities

Capability group/sets	Capability name	Behavioural indicators	Level
 <p>Personal Attributes</p>	<p>Manage Self</p> <p>Show drive and motivation, an ability to self-reflect and a commitment to learning</p>	<ul style="list-style-type: none"> Adapt existing skills to new situations Show commitment to achieving work goals Show awareness of own strengths and areas for growth, and develop and apply new skills Seek feedback from colleagues and stakeholders Stay motivated when tasks become difficult 	Intermediate
 <p>Relationships</p>	<p>Communicate Effectively</p> <p>Communicate clearly, actively listen to others, and respond with understanding and respect</p>	<ul style="list-style-type: none"> Focus on key points and speak in plain English Clearly explain and present ideas and arguments Listen to others to gain an understanding and ask appropriate, respectful questions Promote the use of inclusive language and assist others to adjust where necessary Monitor own and others' non-verbal cues and adapt where necessary Write and prepare material that is well structured and easy to follow Communicate routine technical information clearly 	Intermediate
 <p>Relationships</p>	<p>Commit to Customer Service</p> <p>Provide customer-focused services in line with public sector and organisational objectives</p>	<ul style="list-style-type: none"> Focus on providing a positive customer experience Support a customer-focused culture in the organisation Demonstrate a thorough knowledge of the services provided and relay this knowledge to customers Identify and respond quickly to customer needs Consider customer service requirements and develop solutions to meet needs Resolve complex customer issues and needs Cooperate across work areas to improve outcomes for customers 	Intermediate

Deliver Results

Achieve results through the efficient use of resources and a commitment to quality outcomes

- Seek and apply specialist advice when required
- Complete work tasks within set budgets, timeframes and standards
- Take the initiative to progress and deliver own work and that of the team or unit
- Contribute to allocating responsibilities and resources to ensure the team or unit achieves goals
- Identify any barriers to achieving results and resolve these where possible
- Proactively change or adjust plans when needed

Intermediate

Procurement and Contract Management

Understand and apply procurement processes to ensure effective purchasing and contract performance

- Understand and comply with legal, policy and organisational guidelines and procedures relating to purchasing
- Conduct delegated purchasing activities in line with procedures
- Work with providers, suppliers and contractors to ensure that outcomes are delivered in line with time and quality requirements

Intermediate

Complementary capabilities

Complementary capabilities are also identified from the Capability Framework and relevant occupation-specific capability sets. They are important to identifying performance required for the role and development opportunities.

Note: capabilities listed as 'not essential' for this role are not relevant for recruitment purposes however may be relevant for future career development.
