AGENCY OVERVIEW

The Sydney Opera House is an Executive Agency of the NSW Department of Creative Industries, Tourism, Hospitality and Sport. The Opera House is operated and maintained for the Government of NSW by the Sydney Opera House Trust, which is constituted as a body corporate under the Sydney Opera House Trust Act 1961.

The Sydney Opera House is a living work of art. A place of possibility and wonder - on and off the stage. We bring people together to be uplifted, empowered and entertained.

Our ambition is to be Everyone's House; where we aim to better understand and connect with community; to be a place where everyone feels welcome; to be future ready and to lead and inspire positive change.

To make this real, we are focused on four themes that underpin our organisational values (Creativity, Courage, Inclusivity, Integrity, Collaboration and Care):

- We better understand and connect with community.
- Everyone feels welcome here.
- We are future ready.
- We lead and inspire positive change.

PURPOSE OF THE ROLE

This role works as part of a team to deliver the highest technical services. The role is customer-focused and supports performers to achieve excellence in their field. This role leads small technical teams to deliver outstanding theatre and entertainment production services to clients. It also contributes to the management, development, care and security of the technical equipment at the Opera House and assists in the development of skills and standards within the Production Services portfolio that meet presenter and SOH expectations.

KEY ACCOUNTABILITIES

- Operation and set up of sound equipment in live performance situations including system design and configuration of sound equipment in all theatres and performance spaces for productions and events.
- Supervise and lead small teams in a productive and efficient manner to deliver outstanding production services, communicating effectively, and providing training and mentoring as required.
- Follow and create documentation such as stage plans, input lists or patch sheets, cue lists and other technical documents as required and independently setup sound systems for use across all theatres and performance spaces.
- Identify and problem solve sound technical faults relating to productions, including the use of SOH fault reporting systems.
- Meet SOH expectations by contributing to a customer service culture within Production Services and Production and Events teams.
- Ensure technical requirements for productions are delivered safely; making WHS a high priority for all Production Services employees.
- Properly store, clean and maintain equipment, as well as clean and keep all storage and backstage areas tidy.

KEY CHALLENGES

- Working in a dynamic live theatre environment, balancing challenging variables, such as irregular and long shifts, physical work, live performance deadlines, as well as the sheer complexity of size and restrictions associated with working at SOH.
