AGENCY OVERVIEW

Sydney Opera House is an Executive Agency of the NSW Department of Enterprise, Investment and Trade. Sydney Opera House is operated and maintained for the Government of New South Wales by the Sydney Opera House Trust, which is constituted as a body corporate under the Sydney Opera House Trust Act 1961.

The Sydney Opera House is an iconic Australian institution that embodies beauty, inspiration and the liberating power of art and ideas.

Our vision is to be as bold and inspiring as the Opera House itself.

Our mission is twofold:

- To care for and renew the Opera House for future generations of artists, audiences and visitors; and
- To inspire, and strengthen the community, through everything we do.

PURPOSE OF THE ROLE

This traineeship will provide the opportunity to work alongside experienced professionals as well as gaining knowledge, learning new skills and obtaining hands-on training whilst working towards a nationally recognised qualification. The traineeship will include a combination of on and off-the-job learning as trainees work toward obtaining qualifications at CUA40420 Certificate IV in Live production and Technical Services.

The primary purpose of this role is to assist in the safe and efficient presentation of production and events with our Lighting department in order to deliver effective technical production support services.

This role is aimed at people who have not yet commenced their professional careers and are keen to enter the Live performance industry to develop their skills in theatre production and technologies by obtaining a CUA40420 Certificate IV in Live Production and Technical Services with a specialist focus on lighting technologies.

KEY ACCOUNTABILITIES

- Successfully incorporate workplace learning and assignments to complete the qualification CUA40420 Certificate IV in Live production and Technical Services.
- Acquire knowledge of how to read and follow the documentation, and gain insight into theatrical and emerging technologies utilised at the Sydney Opera House.

- Actively participate in on-the-job learning activities to support the Lighting team that ensure venue and foyer productions requirements are delivered on time and Production Services related work is able to be completed.
- Contribute to ensuring that the department, presenters and audience are provided with consistent and effective event delivery with optimum presentation of all related technical elements
- Gain an understanding of service delivery and how to deliver successful and safe events through utilising sound judgement in the safety and feasibility of equipment and processes
- Actively and safely contribute to the success of the Lighting Department Production and Events portfolio
- Collaborate and participate actively across the Production and Events teams in the provision of technical services by showing enthusiasm, responsibility and an eagerness to learn.

KEY CHALLENGES

- Working hours will vary depending on events and will include weekends and evenings when required
- Ability and agility to work at heights and in confined spaces and ability to complete manual handling tasks.
- Work hours in accordance with the employment type of the SOH Enterprise Agreement
