

## [Paid to Learn TAE Information Sheet](#)

The Paid to Learn Program is an innovative approach TAFE NSW is introducing/adopting to leverage the skills and experience of industry current professionals to help meet the increasing demand for teachers across TAFE NSW.

To be a teacher in the Vocational and Educational training (VET) Sector you are required to hold the Certificate IV Training and Assessment (TAE40116) or an equivalent qualification. If you don't hold the TAE, we are currently offering opportunities to support your transition into becoming a teacher via a 14 week Paid to Learn program. The program is supported by mentors and other wraparound assistance to make your transition into teaching a smooth and rewarding one. You will commence in the 14-week Paid to Learn program and once fully qualified, we will continue to support your professional development to set you up for success in what is a very rewarding career.

### **How does the program work?**

- The Paid to Learn Program will commence with your employment on 31 July 2023
- We will require you attend an initial virtual session of up to 3-hours on Friday 30 June 23 to start your TAE Course, prior to commencing employment on 31 July
- It's a 14-week full-time program 35 hours per week, managed over 5 days, with 8am to 4pm as a guide to daily hours
- The program will be either conducted face to face in one of our TAFE Campuses or via Connected Classrooms at one of our Campus Hubs located across Regional NSW
- The 14-week program will be conducted as follows...
  - Week 1 - (31 July to 4 August): Orientation Week (Onboarding, Induction and Technology Uplift). This week will be held our Hunter Valley Hotel Academy at Kurri Kurri residential facility and be a great opportunity for Paid to Learn participants to get together and create a bond in their first week
  - Week 2 - (7 to 11 August): Enterprise Trainer Skill Set to be conducted at either your home campus study location or at Kurri Kurri if you are undertaking the TAE aligned to a virtual campus.
  - Weeks 3 to 14 - (14 August to 17 November) - A guideline to your weekly program is as follows...
    - 2 days (Mon and Tues) - undertaking practical activities in your home campus teaching section (where you may be working following the successful completion of the 14-week program) and/or undertaking additional training in technology and other development activities
    - 1 day (Wednesday) – Capability uplift and study day.
    - 2 days (Thurs and Fri) - face to face (or via connected classroom) TAE course delivery, facilitated by your TAE teacher
