Agency overview

We ensure young children get the best start in life by supporting and regulating the early childhood education and care sector. We are the largest provider of public education in Australia with responsibility for delivering high-quality public education to two-thirds of the NSW student population.

Primary purpose of the role

The Director, Statewide Operations Network role leads an operational workforce of over 200 staff to undertake essential frontline regulatory assessment and compliance of over 5,800 services under the national regulatory framework. The role also leads a specialist investigations team to respond to and investigate serious incidents, some of which may result in legal action being taken. The role has a significant responsibility in analysing risks and compliance themes and ensuring that tactical plans are put in place to address these through a range of business improvement and sector support initiatives.

Key accountabilities

- Lead and develop a high performing team to enable the delivery of quality assurance and rating of early childhood education services in accordance with the national regulatory framework and manage the provision of regulatory expertise and expertise from across the regulatory network to achieve strategic objectives.
- Direct and lead staff in the performance of the investigation function of the Directorate, with oversight of robust investigative policies and procedures that provide efficient and effective investigation of compliance with statutory or regulatory requirements; and that enables the resolution of any consequential enforcement activity following an investigation.

- Manage the compliance monitoring framework for early childhood services to deliver early warning of potential risks to children to enable prompt responses to serious instances of non-compliance and escalation to the specialised investigations team as required.
- Lead strategic and business planning processes, aligning division priorities and resources to support division and Department shared objectives
- Implement strategic plans and optimise operational performance with appropriate controls and processes across the division to ensure the Department's commitment to school improvement and other critical priorities to reflect Government, Cluster and Department frameworks, policies and guidelines
- Drive and evaluate operational performance outcomes which contribute to the achievement of the division's strategy and be accountable for providing detailed and reliable analysis to support strategic and dynamic decision making processes and to identify and drive opportunities for innovation
- Foster a culture which drives and encourages high performance, collaboration, agility and accountability in the delivery of educational outcomes aligned with the division's and Department's strategy, while modelling and promoting a strong risk culture throughout the business unit in line with the department's risk management and governance frameworks.
- Lead, motivate and mentor the team, monitoring performance, fostering ongoing professional development and ensure staff have the knowledge and skills to achieve their work objectives in alignment with Department values.

Key challenges

- Developing and maintaining processes for managing business-as-usual regulatory activity while also enabling regulatory staff to be involved in policy development and sector engagement tasks.
- Identifying new and innovative approaches and tools and embedding these in the culture and behaviours of the division to encourage collaboration, agile decision making and accountability.
- Anticipating and responding to challenges which may impede effective delivery against strategic objectives, including identifying mechanisms to mitigate these risks.
