

Earn while you learn with a traineeship at TAFE NSW

TAFE NSW is offering exciting traineeship opportunities for individuals eager to develop hands-on work experience for their future career.

By completing a traineeship with TAFE NSW, you will be earning a nationally recognised qualification and building practical on-the-job experience, all whilst being paid.

At the end of your traineeship, you will be prepared for success, armed with the skills and hands-on real-world experience that will set you up for your chosen career.

Available traineeships and locations:

- **Certificate III in Horticulture AHC30722**
Duration: 24 Months
Location: Padstow (1 Position)
- **Certificate III in Horticulture AHC30722**
Duration: 24 Months
Location: Ryde (1 Position)

How to get started:
