

OUR STRATEGIC DIRECTION PLAN 2019-2024

About us

We are the lead combat agency for bush fires in NSW, and the world's largest volunteer fire service. For over 100 years we have provided fire and emergency services to communities across NSW.

Our vision

To provide a world standard of excellence in the provision of a volunteer-based community fire and emergency service.

Our purpose

To protect the community and our environment by minimising the impact of fire and other emergencies.

Vibrant and Sustainable Membership

Safe and inclusive workplace where members can be at their best

Strategies

- › Embed a culture of safe and inclusive practices for member health and wellbeing
- › Strengthen current and future leadership capability at all levels
- › Grow membership capability through deliberate attraction, engagement and development

Resilient Communities and Valued Partnerships

Stronger communities better able to prepare, respond and recover

Strategies

- › Advance our understanding of at risk communities and deliver effective public safety and environmental protection programs
- › Boost community capability and capacity to prepare for and be responsive to bush fire and other emergencies
- › Partner with other agencies and stakeholders to prepare for, prevent and recover from bush fire and other emergencies

Service Delivery Readiness and Agility

Trusted and credible provision of public safety services

Strategies

- › Ensure a community centred approach to service delivery
- › Embed a risk based approach to resource planning and allocation
- › Shape standards and practices to be responsive to changes in the natural and built environment

Research, Innovation and Technology

Better outcomes through applied research, innovation and technology

Strategies

- › Leverage research and member perspectives for better ways of working
- › Lift our digital capacity through cohesive and future focused Information Communication Technology
