Agency Overview

The Museum of Applied Arts and Sciences sits at the intersection of the arts, design, science and technology and plays a critical role in engaging communities with contemporary ideas and issues. Established in 1881, the Museum includes Powerhouse Ultimo, Sydney Observatory, the Museums Discovery Centre in Castle Hill and will expand to include the Museum's new flagship - Powerhouse Parramatta. The Museum is custodian to over half a million objects of national and international significance and is considered one of the finest and most diverse collections in Australia.

The Museum of Applied Arts and Sciences is undertaking a landmark renewal program which includes the creation of Powerhouse Parramatta, the largest cultural infrastructure project since the Sydney Opera House; the expansion of Museum's Discovery Centre, Castle Hill which includes expanded storage and new research and public facilities, and the renewal of the iconic Powerhouse Museum in Ultimo.

Organisational Context of Position

The **Curatorial, Collections and Programs** Department, encompassing Curatorial, Strategic Collections and Production works cooperatively to develop, manage and conserve collections, conduct research, develop, source, deliver, interpret and maintain long-term and temporary exhibitions. The Department provides content to the Museum's ambitious and multi-faceted programs and experiences. The Department initiates and proactively explores ways to expand and disseminate knowledge about the collection.

Strategic Collections is one of three teams reporting to the Director, Curatorial, Collections and Programs and encompasses Registration, Conservation and Library.

The Registration unit manages the Museum's collection and collection-based information according to professional museum standards, and NSW regulatory requirements, including documentation, processing, access, inward and outward loans, storage, movement and

transport of objects, and creating and maintaining records for these. The unit has a major responsibility for co-ordinating all audit, valuation, insurance, collection copyright, and legal matters relating to the collection; and participates in exhibition development including planning, exhibition preparation and installation and dismantling. Registration also manages the Museum's archives both institutional and acquired, servicing internal and external access and managing the archives management database.

Primary purpose of the role

The Assistant Registrar assists with administration of the collection management system (EMu) and provides training, system development, documentation and workflow support for teams working across collection administration, stores and logistics, documentation, archives management, exhibitions, inward and outward loans, and wider museum projects.

Key accountabilities

1. Assist the Manager and Registrars with relevant operational planning processes and policy development and contribute to the implementation of the Museum's strategic plan.
2. In consultation with the Manager and Registrars, build and maintain external stakeholder relationships, including museums and galleries, government departments and other organisations to advocate for MAAS, to develop business networks and to build awareness of the MAAS programs.
3. Assist with the implementation of the Museum's collection and collection-based information systems according to professional museum standards, and NSW regulatory requirements, including, but not limited to, collection management, documentation and cataloguing, processing, access, acquisitions and de-accessions, inward and outward loans, storage, movement and transport of objects, and creating and maintaining records for these.
4. Ensure statutory and legislative requirements are adhered to and effective risk management procedures are in place.
5. Ensure adherence to a high level of collection management practice and procedures and a culture of optimal external and internal customer service.
6. Assist with ensuring the safety, security, location control and maintenance of objects on display and in storage.
7. This position may be required to act as an object courier on behalf of MAAS.

General Requirements

- Work in an interdisciplinary manner across project teams and Museum initiatives
- Adhere to all obligations, responsibilities and legislative requirements under current Work Health & Safety (WHS) Acts and Regulations, ensuring all areas under supervision are monitored for WH&S risks and hazards and are reviewed regularly
