

Position Description

Linemarker

Transport
for NSW

At Transport, we're passionate about making NSW a better place to live, work and visit. Our vision is to give everyone the freedom to choose how and when they get around, no matter where they live. Right now, we're delivering a \$51.2bn program – the largest Australia has ever seen – to keep people and goods moving, connect communities and shape the future of our cities, centres and regions. At Transport, we're also committed to creating a diverse, inclusive and flexible workforce, which reflects the community and the customers we serve. Our organisation – Transport for NSW – is comprised of nine integrated divisions that focus on achieving community outcomes for the greater good and on putting our customers at the centre and our people at the heart of everything we do.

POSITION DETAILS

Position Title	Linemarker	Position Number	Various
Division Branch	Regional and Outer Metro Regional and Freight	Grade	Wages Award Grade 1-2
Unit	Regional Maintenance	Location	Various
ANZSCO	599411	PCAT	1119192

POSITION CONTEXT

Primary purpose of this position

The Linemarker Grade 1-2 is required to carry out all activities associated with the marking of roads using roadmarking machines. A Linemarker Grade 1-2 will also be required to drive a light vehicle or rigid truck in the performance of their duties.

Position dimensions

The Linemarker Grade 1-2 reports to the Works Supervisor Linemarking

Direct Reports	Nil
Operational budget	Nil

KEY ROLES AND ACCOUNTABILITIES

- Work under limited supervision and provides guidance to other team members when required.
- Drive and/or operate one of the current Rural Linemarking Services fleet of linemarking machines to an acceptable standard.
- Operate a light vehicle or rigid truck as part of a mobile traffic control configuration to provide protection for other team members on high speed, high traffic volume roads.
- Assist other team members in the maintenance, set-up, pack-up and de-canting for the linemarking machine.

- Assist the Work Supervisor and Team Leader in the application of all quality, safety and environmental processes to ensure the relevant Roads and Maritime Services policies are met.

KEY CHALLENGES AND INFLUENCES

- Maintaining a safe and injury free work place for all employees while operating in a high speed, high traffic volume environment.
- Maintaining the drive to increase your skill level through internal training, external training and on the job training.

KEY INTERNAL AND EXTERNAL RELATIONSHIPS

Internal

- Team Leaders, Supervisors and other Team Members.

External

- Industry partners including traffic control, construction and maintenance companies;
- Members of the public;
- Police and other emergency services

ESSENTIAL REQUIREMENTS

- Possession of Construction Industry Certification (White Card) and Traffic Controllers Tickets (Blue and Yellow Tickets).
- Ability to work as a member of a team.
- Ability to work in close proximity to traffic.
- Ability to effectively communicate with members of the public, external providers and staff at all levels in both oral and written form.
- Ability and willingness to undertake labouring tasks.
- Ability and willingness to acquire certification for other relevant machinery as required.
- It is a prerequisite that applicants possess a current motor vehicle driver licence.
- The successful applicant may be required to work outside normal working hours or to travel on occasion.
- The successful applicant will be required to undergo relevant security and criminal records check prior to appointment.
- Applicants must be prepared to be assessed against “Road-worker Grade 2” and “Linemarker Grade1” compulsory competencies plus a number of elective competencies within 3 months of appointment (The following information relates to the relevant competencies).

To progress to this position (Linemarker Grade 1) a staff member must meet the following criteria:

- Possess all the requirements for Road Worker Grade 2; and
- Meet all of the Linemarker Grade 1 Compulsory Competencies; and
- Meet 2 of the Linemarker Grade 1 Elective Competencies

Road Worker 2 possesses a variety of labouring skills and knowledge of work process. The staff member is competent in a number of specific activities and can perform them with a degree of autonomy, requiring less direct supervision than at Level 1. Staff member performs tasks that require development of specific competencies above those of routine labouring.

Progression to Grade 2 requires the staff member to:

- Possess all the compulsory competencies for Road Worker Grade 1

- Meet 5 of the Road Worker Grade 2 elective competencies

Grade 2 Compulsory Competencies (meet all competencies)

RIISAM203A	Use hand and power tools
RIICCM207A	Spread and compact materials manually

Grade 2 Elective Competencies (meet 5 competencies)

RIICCM205A	Carry out manual excavation
RIICCM209A	Carry out concrete work
RIIWMG203A	Drain and dewater civil construction site
RIICCM201A	Carry out measurements and calculations
RMS RSPE	RMS Plant Safety Cert – small plant electrical
RMS RSPHP	RMS Plant Safety Cert- small plant hydraulic/pneumatic
RMS RSPD	RMS plant Safety Cert – small plant diesel/petrol
RIICCM208A	Carry out basic levelling
RIICCM206A	Support plant operations
RIICCM203A	Read and interpret plans and specifications
RIISAM205A	Cut, weld and bend materials
RIICCM210A	Install trench support
RIICRC208A	Lay pipes
RIICRC201A	Repair potholes
RMS REP	RMS Plant Safety Certificate – Elevated Work Platform (<11 metres)
CPCCCM2007A	Use explosive power tools
RTF2215A	Assist with landscape construction work

Linemarkers Gde 1 Compulsory Competencies

Unit Number	Unit Title
NDLC - MR	Medium Rigid – National Driver Licence Class
RIIBEF201A	Plan and organise work
RIIIMG301A	Maintain site records
BSBCUS201A	Deliver a service to customers
RMS RMR	RMS Plant Safety Certificate Truck – Medium Rigid
RIICRM302A	Conduct long line road marking operations
RIICRM206A	Conduct airless and atomised spraying operations
RIICCM201A	Carry out measurements and calculations
RMS TC Blue	RMS Traffic Controller (RMS Blue Card)
RMS TC Yellow	Apply traffic control plans (RMS Yellow Card)

Linemarkers Gde 1 Elective Competencies

Unit Number	Unit Title
RMS RSPE	RMS Plant Safety Certificate – Small Plant - Electrical
RMS RSPHP	RMS Plant Safety Certificate – Small Plant - Hydr / Pneum
RMS RSPD	RMS Plant Safety Certificate – Small Plant - Petrol Diesel

Progression to this grade (Linemarker Grade 2) will be subject to meeting the following criteria:

- Possess all the requirements for Linemarker Grade 1
- Meet the following compulsory competencies; and
- Meet 3 of the Linemarker Grade 2 Elective Competencies.

Linemarker Gde 2 Compulsory Competencies

Unit Number	Unit Title
RIICCM203A	Read and interpret plans and specifications
RIICRM201A	Escort mobile road marking operations
RIICRC202A	Install signs
RIICRM202A	Handle and store road marking materials
BSBINM301A	Organise workplace information
BCC3058B	Use roadmarking measuring equipment (from LM01)
RIICRM204A	Prepare surface for road marking (from LM01)
RTARLM6-7-8	Operate Linemarker – Mark 6-7-8 (from LM01)

Linemarker Gde 2 Elective Competencies

Unit Number	Unit Title
RIICRM203A	Conduct pedestrian road marking operations
RIICRM205A	Conduct road marking measuring operations
TAEDEL301A	Provide work skills instruction
TLILIC108A	Licence to operate a forklift truck (National Licence Class LF)
BSBCOMP	Basic Computer Operations (from LM03)
RMS REP	RMS Plant Safety Certificate – Elevated Work Platform (<11 m)
RMS RCH	RMS Plant Safety Certificate – Vehicle Loading Crane (<10 t)
