Agency overview

Sydney Living Museums is a leading government agency in Australia with responsibility for conserving, managing, interpreting and activating places and sites of local, national and international significance. Established in 1980, our collection includes the UNESCO World Heritage listed Hyde Park Barracks, The Mint, Australia's oldest surviving government building through to the twentieth century Rose Seidler House, which marks the arrival of the modernist movement to Australia. The collection is unlike other museums in that the significance of each is in the whole, and not just in the parts. The awareness of place frames each narrative. Our audiences are local, regional, national and international. Sydney Living Museums is a state cultural institution, reporting to the Minister for the Arts.

The Curatorial & Museums Division includes the Curatorial & Exhibitions Team, City Museums Portfolio and House Museums Portfolio. The Division provides visitor and operational management of SLM's twelve museum sites structured into two portfolios: City Museums Portfolio (Hyde Park Barracks Museum, Justice & Police Museum, Museum of Sydney, Susannah Place Museum, The Mint and Caroline Simpson Library & Research Collection), and House Museums (Elizabeth Bay House, Elizabeth Farm, Meroogal, Rouse Hill House & Farm, Rose Seidler House and Vaucluse House). The Curatorial & Exhibitions Team produces exhibitions at our museums, interprets our properties, presents stories from the collections, and manages publications to engage over 1 million visitors annually onsite and online.
